

Sensors

- For Speed, Oil pressure, Crank angle, Cam angle and so on.
- Grades
Z-230 Black, Z-230 Black-2(B),
Z-240-DS (Heat cycle resistance).
FZ-1140 Black, FZ-3600 Black
(General Purpose).
- Golf ball injection mold has been applied to manufacturing process of a sensor.
- Injection parameters and mold designs should be adjusted to avoid air leakage problem.
